Perhaps the jewel in the crown of Kenya's wildlife viewing areas, Maasai Mara is one of the most popular game reserves in Africa and is revered around the world for its exceptional wildlife, as well as its annual wildebeest migration. We get another chance to see the 'Big Five' as we head out on to the plains on safari. Animals here are free to roam beyond the unfenced confines of the reserve, resulting in a symbiotic relationship between the wildlife and local Maasai tribes, whose villages dot the grasslands. We may see lions striding proudly across the plains, herds of elephants bathing in the shallow waters and giraffes reaching out towards the lofty trees in search of foliage. Enjoy this evening's game drive before retiring to the camp for dinner and overnight.

As the day progresses, your driver's deep knowledge of the land becomes apparent as he leads you to one spot of outstanding beauty after the next, allowing you to observe the wildlife quietly and at your leisure. The evenings, sit on the balcony watching dawn break across the plains as you sip your coffee or your favourite drink, the raised on stilts, each offers sweeping views across the Talek River onto the golden plains of the Maasai Mara.

Optional activities can be arranged for you during these two nights stay, like a Balloon ride which we highly recommend.
